*“The wonderful means of truly putting an end to the physical and spiritual obstacles of all living beings is none other than Nam-myoho-renge-kyo.” (The Writings of Nichiren Daishonin, Vol I p. 842)*

“When you encounter a wall, you should tell yourself, ‘Since there is a wall here, a wide, open expanse must lie on the other side.’ Rather than becoming discouraged, know that encountering a wall is proof of the progress that you have made so far.” Daisaku Ikeda
